**Wald, K. A.** & Risen, J. L. How does variability affect humanization? Variable (vs. constant) behavior increase perceptions of experience, but decreases perceptions of agency.

## **CONFERENCE & DEPARTMENT PRESENTATIONS**

**Trans-Atlantic Doctoral Conference, May 2023**

Are there gender differences in climbing up the ladder?

**Booth Center for Decision Research Brown Bag, November 2022**

Ignorance can be trustworthy: The effect of social self-awareness on trust

**Academy of Management, August 2022**

People are more trusting of others who are unaware (vs. aware) of their own negative behavior

**Academy of Management August 2022**

Dialogue vs. debate: Causes and consequences of two approaches to disagreement

**Academy of Management, August 2022**

How does variability affect humanization?

**International Association for Conflict Management, July 2022**

Ignorance can be trustworthy: The effect of (social) self-awareness on trust

**International Association for Conflict Management, July 2022**

Dialogue vs. debate: Causes and consequences of two approaches to disagreement

**International Association for Conflict Management, July 2022**

How does variability affect humanization? Variable (vs. constant) behavior increases perceptions of experience, but decreases perceptions of agency

**Trans-Atlantic Doctoral Conference, June 2022**

Ignorance can be trustworthy: The effect of (social) self-awareness on trust

**Booth Center for Decision Research Brown Bag, April 2022**

Ignorance can be trustworthy: The effect of (social) self-awareness on trust

**East Coast Doctoral Conference, April 2022**

Ignorance is trustworthy: People are more trusting of others who are unaware (vs. aware) of their own negative behavior

**Society for Personality and Social Psychology, February 2022**

*Data blitz:* Ignorance is trustworthy: People are more trusting of others who are unaware (vs. aware) of their own negative behavior

*Data blitz:* Dialogue versus debate: Consequences of two different modes of discussing disagreement.

**Society for Judgment and Decision Making, February 2022**

*Poster:* Dialogue versus debate: Consequences of two different modes of discussing disagreement.

**Academy of Management, July 2021**

Making a boast believable: Disclaimers increase the effectiveness of seemingly untrue brags

**International Association for Conflict Management, July 2021**

Making a boast believable: Disclaimers increase the effectiveness of seemingly untrue brags

**Trans-Atlantic Doctoral Conference, May 2021**

Making a boast believable: Disclaimers increase the effectiveness of seemingly untrue brags

**Guest Lecture at Elmhurst University (Honors Social Psych Class), February 2021**

Making a boast believable: Disclaimers increase the effectiveness of seemingly untrue brags

**Society for Personality and Social Psychology, February 2021**

Clueless critics: Overconfidence in oneself fosters unjustified criticism of others who try (and fail).

**Society for Judgment and Decision Making, December 2020**

*Poster:* Clueless critics: Overconfidence in oneself fosters unjustified criticism of others who try (and fail).

**Booth Center for Decision Research Brown Bag, October 2020**

Making a boast believable: Disclaimers increase the effectiveness of seemingly untrue brags

**Academy of Management, August 2020**

Can birds of different feathers flock surprisingly well together? Expected versus actual consequences of discussing divisive viewpoints

**International Association for Conflict Management, July 2020**

Can birds of different feathers flock surprisingly well together? Expected versus actual consequences of discussing divisive viewpoints

**East Coast Doctoral Conference, March 2020**

*(Accepted; conference canceled)*

*Data Blitz:* Can birds of different feathers flock happily together? Expected versus actual consequences of discussing divisive viewpoints

**Society for Personality and Social Psychology, February 2020**

Fibbing about your feelings: How feigning happiness in the face of personal hardship affects trust

**Academy of Management, August 2019**

Gender differences in running for political office? Candidate experience closes the gap between women and men

**Academy of Management, August 2019**

Fibbing about your feelings: How feigning happiness in the face of personal hardship affects trust

**International Association for Conflict Management, July 2019**

Fibbing about your feelings: How feigning happiness in the face of personal hardship affects trust

**Kellogg-Booth Student Symposium, May 2019**

*Co-organizer*

**East Coast Doctoral Conference, April 2019**

Fibbing about your feelings: How feigning happiness in the face of personal hardship affects trust
